FOR
REAL ALE

A group of four people are gathered around a table, clinking their glasses of beer in a toast. The scene is overlaid with a vibrant, abstract graphic of overlapping colorful circles in shades of purple, blue, orange, and yellow. In the center of this graphic is a circular badge with a scalloped edge. The badge contains the text 'NORWICH AND BEYOND' in a light blue font, with 'PUB FESTIVAL' in a large, bold, white font on a dark blue banner across the middle, and '2022' in a smaller white font at the bottom. The background of the entire page is a solid bright orange.

Welcome to Norwich and Beyond Pub Festival!

A summer celebration bringing together 130 local pubs, breweries and cider makers.

Join us in the pub this July and August to celebrate our amazing pubs and producers. Whether you prefer beer, cider, wine, spirits or alcohol free drinks, this is the festival for you!

Brought to you by Norwich & District CAMRA, featuring pubs across our branch area, from Beeston to Blofield, from Erpingham to Eaton. Our 2022 Pub of the Year winners and runners up are all involved, as well as many Good Beer Guide pubs.

This year we have 81 participating pubs, so you'll be spoilt for choice. Each pub is partnered with an East Anglian brewery, who are donating beer to them. And new this year we also have the region's best real cider makers donating to a selection of pubs. There's almost 50 producers taking part and we want to say a huge thank you to them all for their support. We hope you enjoy exploring our pubs in Norwich and beyond. Cheers!

How does it work?

- 1 Pubs are grouped in 8 colour-coded zones, mapped out on pages 8 to 26, and you can visit as many as you choose in any order.
- 2 Buy whatever you choose at the pub (it doesn't need to be beer) then ask them to stamp the relevant box on page 46.
- 3 If you collect a stamp from every pub in a zone, you can claim a souvenir coloured wristband from the Prize Pub for that zone.
- 4 Collect all 81 stamps and you'll qualify for a special prize to be awarded at Norwich Beer Festival in October.

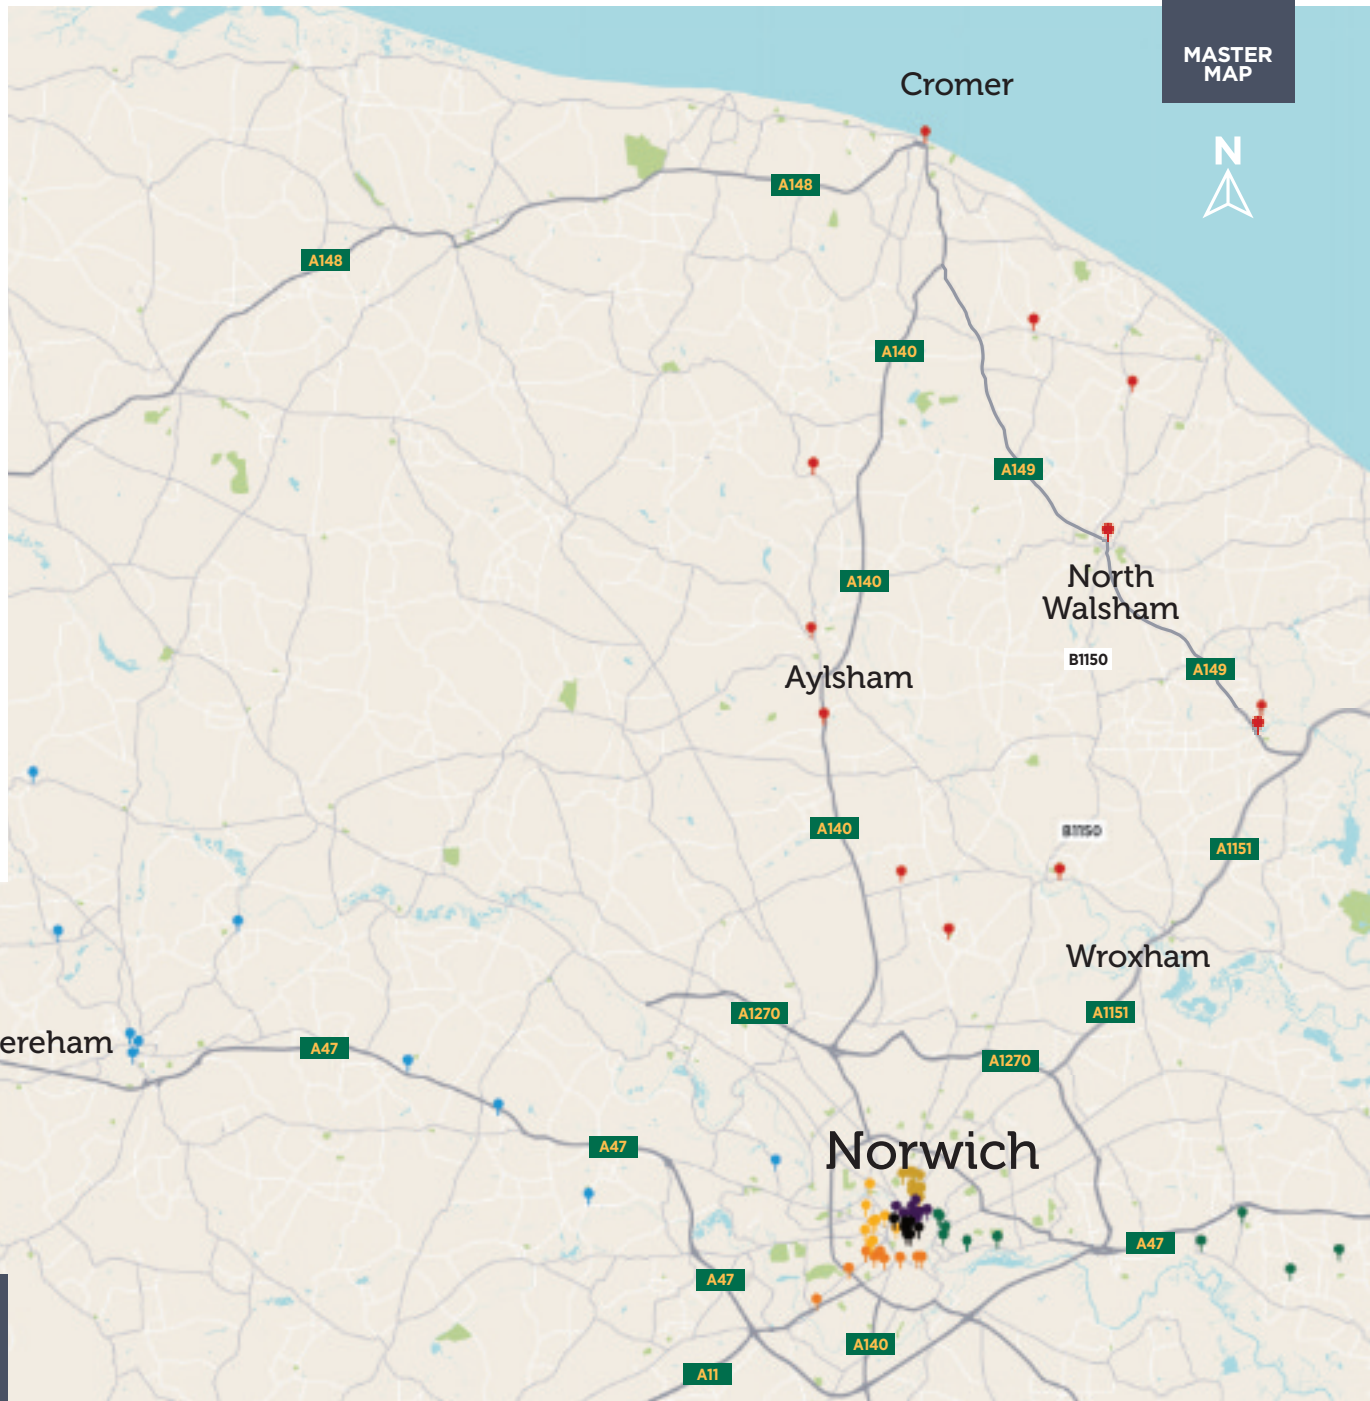

Many of the pubs and breweries have chosen to work together to organise some exciting events for customers during the festival. You can find out what events are happening, as well as up-to-date opening hours, on each pub's social media pages which we've listed on the zone maps.

NEW THIS YEAR

Our Cider Zone on page 28 features 14 of our participating pubs, who've been paired with a cider maker as well as a brewery. Visit them, buy a pint or half pint of real cider and receive a second bonus stamp on page 45. Collect all 14 to claim your special Apple Green wristband!

Getting around

The majority of pubs taking part are on train or bus routes, and you can find public transport details on each zone map. In Norwich, the central zones are walkable, and the pubs are very close to each other. If you need to drive or cycle, please keep everyone safe and have a soft drink, you'll still get your stamp! We'll also be running several coach trips from central Norwich to pubs in more rural areas, please check our social media pages for details.

You can find an online version of this guide at [\(add short url\)](#) and on our social media pages, just search for @NorwichPubFestival on Facebook, Twitter and Instagram.

Get to know...

NORWICH & DISTRICT CAMRA

The **Norwich & District** branch, which organises Norwich and Beyond Pub Festival, is one of the Campaign for Real Ale (CAMRA)'s largest and most exciting branches! We organise lots of regular social events and also one of CAMRA's biggest and most successful beer festivals, which has been running since the 1970s.

CAMPAIGNING

CAMRA is a consumer organisation whose primary focus is on supporting the production and sale of real ale, cider and perry. As real ale is primarily a draught beer, CAMRA also supports pubs, as the best place to drink real ale.

Campaigning to support real ale, cider and perry, and save pubs and breweries isn't as visible as perhaps it used to be, with demos and placards. These days it mostly involves members signing petitions, email and social media campaigns, and direct contact with politicians and industry bodies.

At a local level we monitor planning applications, and oppose those where we believe pubs will be lost unnecessarily. This is increasingly likely as property companies take advantage of the COVID crisis to convert pubs to more profitable residential or retail use. Once converted, those pubs will be lost forever, as it's very difficult to convert back the other way! More detail on all CAMRA activities can be found at camra.org.uk

The branch covers the city of Norwich and the surrounding area, and works with the other Norfolk branches: West Norfolk (Kings Lynn, Swaffham & Thetford areas), East Norfolk (Yarmouth and the eastern Broads) and Mid Anglia (southern Norfolk around Diss).

OUR 2022 CHARITY PARTNER

Nelson's Journey has been chosen as the Norwich & District CAMRA Branch Charity for 2022. Each year our members nominate local charities to our branch committee, who vote to make the final decision.

We work together with the charity to find the best opportunities for them to raise awareness and funds during Norwich Beer Festival in October.

Although we can only choose one charity each year, we would like to acknowledge the vital work done by everyone working in the charitable sector in Norfolk.

Situated between coast and city, the perfect base to enjoy all that Norfolk has to offer. Come along for a drink or a bite to eat or maybe stay longer... in one of our individually designed rooms.

SOCIAL EVENTS

We run regular social events, including the famous **First Friday Five**, visiting five pubs in Norwich on the first Friday of every month. Our regular **Lunchtime Strolls** are relaxed afternoon crawls around five Norwich pubs, starting at 12 noon on a weekday, usually in the middle of each month. And our **evening and lunchtime coach trips**, visiting four or five rural pubs, leaving from Castle Meadow. We've organised some special trips during July and August, to help you reach some of the pubs outside Norwich. Details can be found on our social media pages @norwichpubfestival or @norwichcamra

NORFOLK NIPS is the CAMRA magazine for the Norfolk Branches, published quarterly with pub news, features and upcoming events. Read it online or pick up a copy from pubs around Norwich and Norfolk. The magazine is the current national Branch Magazine of the Year! The current and past editions can be found on the branch website norwich.camra.org.uk

The branch is also responsible for maintaining information about the 550 pubs in our area on **WhatPub.com**, CAMRA's national pub guide, and selecting the pubs to be featured in each year's **Good Beer Guide**, and the branch Pubs & Clubs of the Year. All CAMRA members can score beers online throughout the year, and the 4,000 Norwich & District branch members have the opportunity to nominate and score their favourite pubs online - this is then collated and averaged to select the best pubs to go into the **Good Beer Guide**.

NORWICH BEER FESTIVAL

The branch also organises and runs the Beer Festival, this year taking place from 24 to 29 October. Visit as a customer and sample some of the several hundred beers available, or get involved by volunteering a few hours - it's loads of fun, a great way to meet people! Find out more at norwichbeerfestival.org.uk

CAMRA celebrated its 50th anniversary last year, and while many may feel the battle to save real ale has been won, there is still a lot of work to do to save our wonderful British pubs! If you'd like to get involved, check out the membership advert on page 6, or go to join.camra.org.uk
