**We're celebrating the best of Norwich - exceptional real ale and cider, brewing heritage, traditional pubs, and all the fun of the festival.**

For one year only, Norwich Beer Festival is taking place in multiple venues while essential restoration work is carried out at its usual location, The Halls.

We've worked with our wonderful pubs and breweries to create exciting events including tap takeovers, guided pub tours, mini beer festivals, quizzes, live music and more.

## ***It's all for a good cause***

Norwich Beer Festival has always supported local great causes, with festival-goers generously donating thousands of pounds each year. So, it seemed the obvious choice to run this year's Norwich Beer Festival for charity. The pubs and breweries taking part have chosen which charities receive the proceeds from their events, so many charities will benefit.

Norwich Beer Festival for Charity is organised by volunteers from Norwich & District Branch of CAMRA, the Campaign for Real Ale [www.norwich.camra.org.uk](http://www.norwich.camra.org.uk)

We've got an exciting selection of events taking place across Norwich hosted by our wonderful pubs and breweries. There's lots to explore over the 11 days of the festival, from new beer launches to quizzes to tutored tastings.
